Here are the missing letters you will need.
Use each one only once.
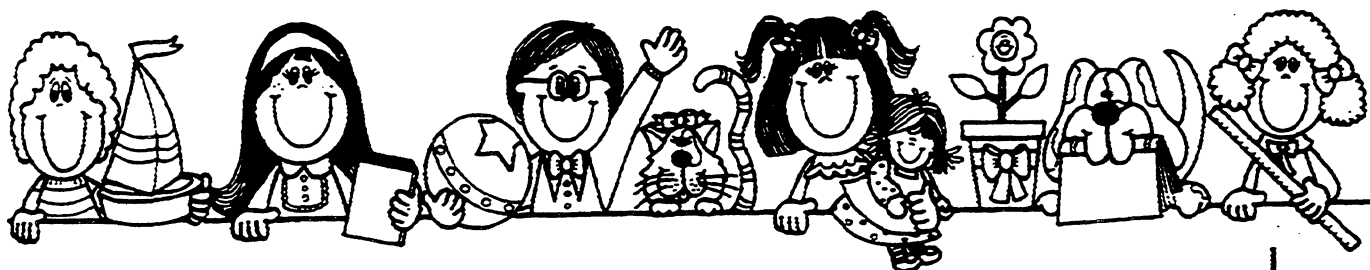

B   C   F   A   Y   U   N   I   G

E   O   L   H   K   R   S   W

Smoking cigarettes makes our air dirty and gross.
Draw a picture of what our world would look like if
everyone smoked.

If your body could talk, what would it say about breathing in someone else's smoke?
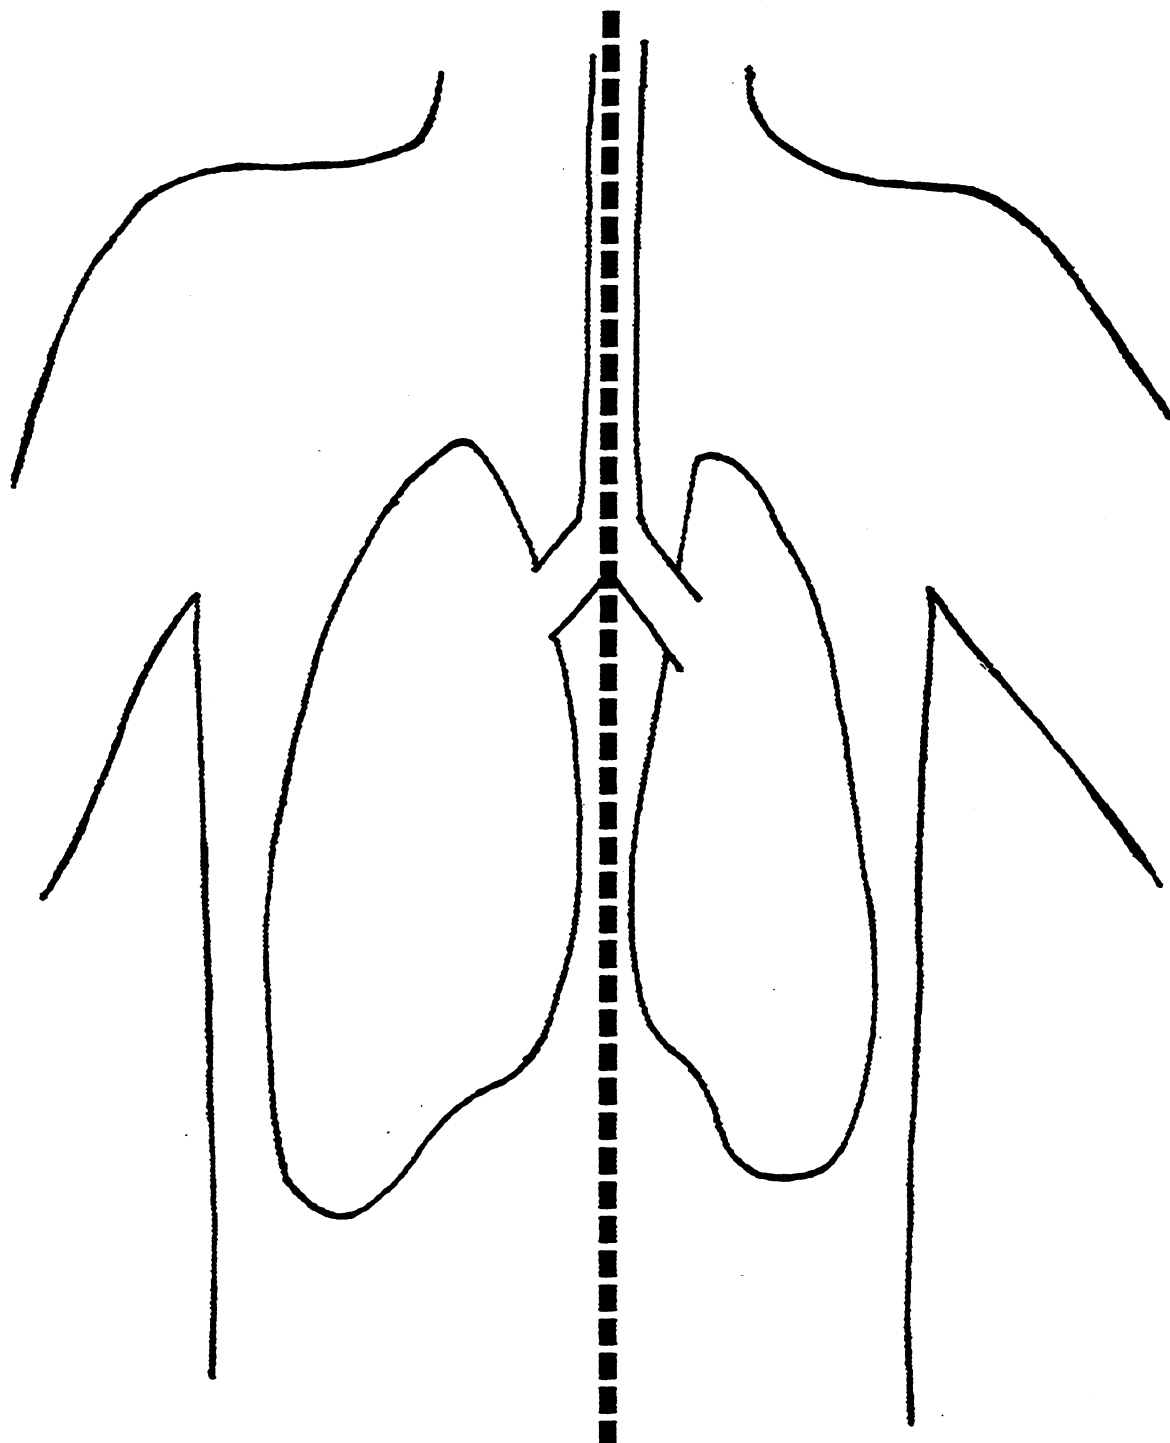

_____

_____

_____

_____

_____

BE TOBACCO-FREE!

Smoking makes your lungs sick and unhealthy.
Smokers have lungs that are gross and black.
Non-smokers' lungs are healthy and pink.
Draw a picture of what a smoker's lung would look like next to a
non-smoker's lung.
